

DISCIPLESHIP AT HIS VESSEL

His Vessel helps Christians become God's willing vessels to live life with purpose through small group discipleship. Our discipleship program shapes individuals' hearts, taking them to a spiritual intimacy with God that they have never encountered before, and when they get there, they never want to leave. Connect to be discipled one-on-one, around your dining room table, or online.

I have grown so much over the past few months through the Becoming His Vessel Small Group. I have been able to have a structured time of prayer and intimacy with the Lord like never before. I have received so much healing and deliverance through this class. I have even been told by my pastors how much I have matured in such a short amount of time. I believe if anyone truly implements the simple steps taught in through this discipleship, they will truly discover a place they never knew existed and they will never want to leave.

His Willing Vessel

June 2023

Did you know that regular Bible reading is the number one factor in predicting the spiritual maturity of young adults?

Many families are searching for a safe place to run in a world that is turning upside down. May I suggest running to the Bible?

Through regularly reading the Bible, you will:

- Hear God's voice speaking to you through the scriptures.
- Learn where to run when you have a need.
- Receive instruction and encouragement.
- Learn to pray scriptures.
- Get the right perspective on life issues and everyday problems.
- Know God on a deeper level.

And so much more!

We have just completed the Bible Reading Marathon, reading the entire Bible aloud. Let me encourage you to continue reading the Bible aloud in your home with your family. Set a specific time and place to gather to read. Protect that time. Through your commitment to reading the Bible together, God is at work through the spoken Word. God is shaping your spiritual maturity, impacting how you live through this time in an upside-down world.

Glean through the newsletter for opportunities to continue your spiritual maturity – personal discipleship, praying together, gathering with like-minded believers, bible study, and more.

Oh to be His Vessel,

BIBLE READING MARATHON

"It was one of the greatest times in my spiritual walk just to be in the presence of the Holy God reading His word. Filling the air with His word was such a blessing I can't wait till next year." — BRM Participant

His Vessel believes in the power of the spoken Word, and we have witnessed a shift in the atmosphere, as well as in individual hearts, through reading God's Word aloud.

REFRESH

In 2022, His Vessel Ministries began holding a quarterly women's event called Refresh, with a mission to provide women an opportunity to gather for a time of worship and fellowship. We've received much positive feedback on the impact that these events have had on women's lives. So join us for the next Refresh on Monday, August 7 (see event details on the back).

Jo had the privilege to open the Alabama House of Representatives session with prayer. It was a powerful prayer, and you could feel the presence of the Lord move upon the place.

"The opening session of the Alabama House of Representatives on Wednesday, May 24, 2023 was led in prayer by Jo Hancock, founder of His Vessel Ministries. The prayer called for a return to righteousness and it was a timely call to honor God and His word. The entire body was stirred by the anointing and it was moving that following the prayer, the body erupted in applause. Please continue to keep the Alabama Legislature in your prayers, praying that they will always follow the call to seek first the righteousness of God."

House Representative

CALLING INTERCESSORS TO BE WATCHMEN

Prayer is the most important mission we, as Christians, will ever be called to do. With the continual threat of division, darkness, and destruction in our nation, watchmen are critical for protecting the city. In 2004, His Vessel Ministries responded by organizing a prayer team called the Watchmen Over the City.

Do you sense God's call to join the movement? Any Christian with a heart for God and their city or county; and willing to humble themselves before God with a pure heart is encouraged to pray about being a part of this call.

If you are interested in what we are doing in Montgomery and want to join, or if you'd like to form a Watchmen Prayer Group over your city or county—contact His Vessel at (334) 356-4478 or info@hisvessel.org.

BECOMING HIS VESSEL PODCAST
